25 October 2017

Dear parents,

Thank you for your patience whilst I work with Congleton MAT to address the issues raised in the past months. I have been working with the trust on a number of issues and changes, including re-arranging the parents meeting scheduled for Monday 16 October. The Trust will send out details of the new meeting date shortly.

I am confident that while the parents meeting has had to be rescheduled, the Trust has made significant progress in this time. Structural changes, which I am confident, will bring about a renewed rigour and a sustainable approach are being introduced. I have asked the Trust that they share the details of these changes with all the stakeholders shortly after half term.

I hope you are all having a good half term.

Best wishes,

Christine Quinn

Regional Schools Commissioner, West Midlands
